

## Adobe access on personal device

### Preparation

Before we started to download Adobe on personal device, please go to <https://email.itd.uts.edu.au/email/> and try log in to your email, make sure you have activated your email before and you remember the password.

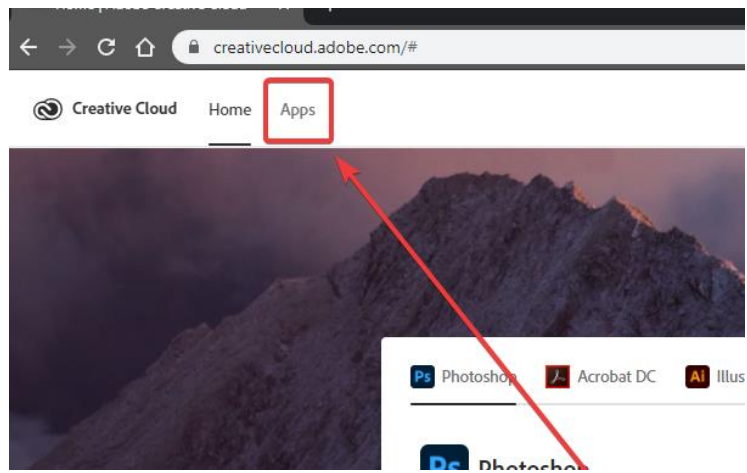

If you have not activate your email before, or you forgot your password, please find the relative guide on IT Support tab here: <https://www.insearch.edu.au/current-students/support/it-support>

### How to download Adobe on personal device

<p>Step 1</p> <p>Please go to <a href="https://creativecloud.adobe.com">https://creativecloud.adobe.com</a>, type in "@uts.edu.au" in the field, and click on "continue"</p>	 <p>The screenshot shows the Adobe 'Sign in' page. At the top, it says 'Sign in' and 'New user? Create an account'. Below that is an 'Email address' input field containing '@uts.edu.au'. To the right of the field is a blue 'Continue' button. Below the field and button are three social login options: 'Continue with Google', 'Continue with Facebook', and 'Continue with Apple'. At the bottom, there is a small text: 'Protected by reCAPTCHA and subject to the Google Privacy Policy and Terms of Service'.</p>
<p>Step 2</p> <p>It will direct you to a UTS log in page, please enter your student number and <b>UTS email</b> password</p> <p>And then click on submit</p>	 <p>The screenshot shows the UTS 'Sign on' page. It has a title 'Sign on' and a label 'Staff or student number'. Below that is an input field with the text 'Enter your student number here'. Below that is a label 'Password' and an input field with the text 'Enter your UTS Email password'. There is a link 'Forgot your password?' and two checkboxes: 'Don't remember login' and 'Reset consent'. At the bottom is a blue 'Submit' button.</p>

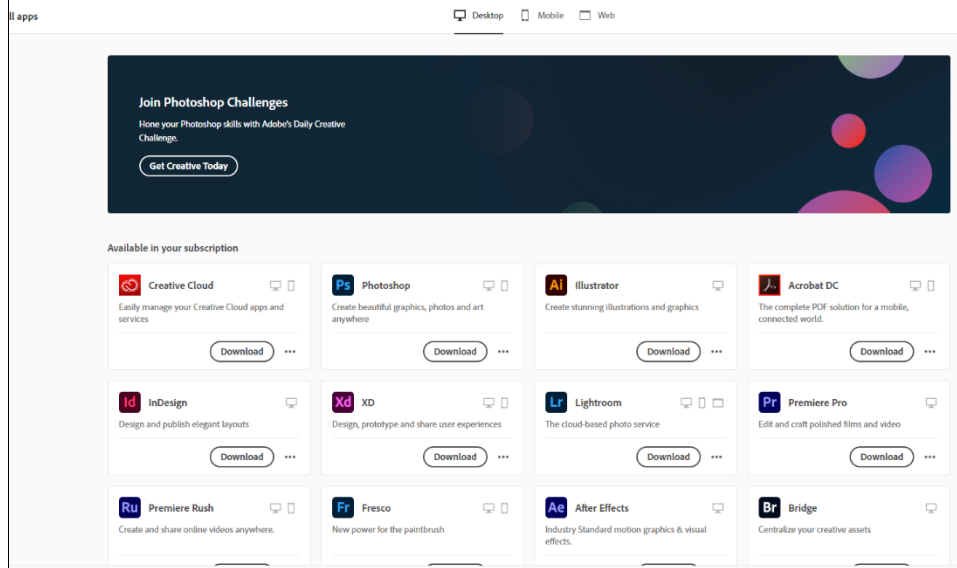

Step 3

Click on the “Apps” button on the top left corner

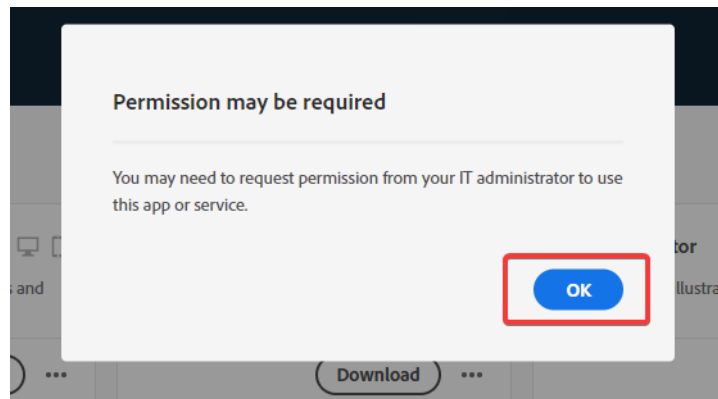

Step 4

Click on “download” for whichever software you need

Step 5

After you click on “download”, a window will prompt out. Please click “ok”.

Step 6

Download will be automatically started after you click on “ok”.
